Spencer Brown

Spirited dreamer, radical pragmatist.

Bio

"Hi, I'm Spencer, a passionate entrepreneur with a dedication to driving the future of technology. I'm currently directing the organizing team behind BoilerMake, Purdue's 500-student hackathon with over $200,000 in funding. Outside of tech, I'm interested in contemporary architecture, hip hop, and philosophy."

Technical Skills

EXPERIENCE

Ruby/Rails
HTML
CSS
Java
Python

SOFTWARE ENGINEERING SKILLS

Git/git flow, TDD, pair-programming, Agile, Vim, Sublime Text, *nix
